*Reflecting HIS glory...*

## Celebrating God's Promises and Provision

Full Rainbow as I left the apartment in Castle Rock for Colorado Springs

After cleaning the Castle Rock apartment that had been my home for three months, God blessed me by displaying a huge rainbow as I drove out of town toward my new home in Colorado Springs. This was such an inspirational moment that I had to pull to the side of I-25 to take the pictures above and to rejoice again for what God is doing in and through my life. I praise Him for leading me and for providing what I need! The Sovereign Lord will continue to guide and sustain for His glory and praise.

*I know that the LORD secures justice for the poor and upholds the cause of the needy.*

*Surely the righteous will praise your name and the upright will live before you.*

Psalm 140:12-13 (NIV)

### Prayer Requests:

- Praise God for additional partnerships, covering my monthly financial needs
- Praise God that I am moved to Colorado Springs and have started work as staff at EMI
- That the Lord would guide my July 31-August 2 support-raising trip to Nebraska
- For God to supply volunteers and build the team for the project trip to Ghana in October
- That I would love and trust God, expressing Jesus through the life He gives

Thankful for Partners, Pointing to God's Faithfulness 2

Fall 2010 Project Destination: Ghana 2

### First Days as an eMi Staff Engineer

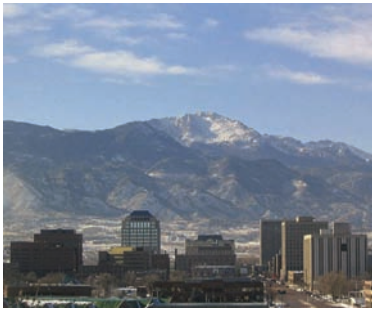

On July 6, I began working in the EMI Colorado Springs office as a full-time project engineer, supported by your prayers and gifts. A special thank you to everyone who is supporting me on a regular basis! Although my monthly financial needs are met with commitments, I appreciate your prayer and consideration if you, your church, or someone you know would be interested in partnering with me. There will be additional expenses involved with my civil engineering development and my travel to research potential office locations in West Africa.

In my few days at EMI, I have already been involved in the following activities:

- Office Devotions and Prayer
- Computer Setup
- Civil Engineering CAD Detail Cleanup
- Answering Civil Engineering Questions from Interns
- Design Review for Rwanda and Kenya Projects
- Volunteer Recruiting and Preparation for Ghana Project Trip

*...so that peoples hope in the LORD*

*2 Cor. 3*

Downtown Colorado Springs

### Get Involved

- Pray
- Contact Me (see below)
- Give by Check:  
Made out to EMI  
Memo "Agee 2109"
- Donate Online:

## Thankful for Partners, Pointing to God's Faithfulness

I am thankful to all of you who partner with me through prayer and financial giving! You are a display of God's faithfulness in my life as I trust Him. Thank you for enabling me to serve in ministry to the nations using engineering!

It has been a blessing to connect with so many people and to watch as God has built a team of supporters around me. I trust that God will continue to use each of you in powerful ways through His Spirit who dwells within you by your trust in Jesus as Lord and Savior. May you rest in His peace as

He who started the work in you brings it to completion!

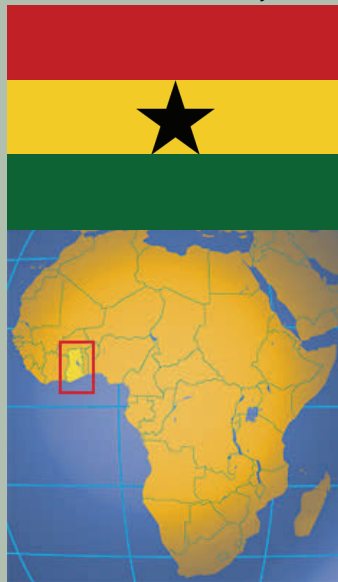

I am reminded that God, who calls us into fellowship with Himself, is faithful; and He is more than able to sustain us. I pray that you will experience His great faithfulness as He empowers you to be faithful.

I have been encouraged by His faithfulness recently in my life: divine appointments, directing me to EMI, saving my former job until it was time to leave, giving strength & joy, supplying finances, providing housing, and leading me to sweet fellowship, prayer, & worship times.

*I give thanks to my God always for you because of the grace of God that was given you in Christ Jesus, that in every way you were enriched in him in all speech and all knowledge—even as the testimony about Christ was confirmed among you—so that you are not lacking in any spiritual gift, as you wait for the revealing of our Lord Jesus Christ, who will sustain you to the end, guiltless in the day of our Lord Jesus Christ. God is faithful, by whom you were called into the fellowship of his Son, Jesus Christ our Lord.*

I Corinthians 1:4-9 (ESV)

### Fall 2010 Project Destination: Ghana

I plan to join the EMI team that will travel to northern Ghana this fall, potentially making connections with other people, projects, and organizations in Ghana during my time there. The project description below is most of the information that I have seen, but watch for more about this trip as we begin more detailed planning.

*Sister Stan Terese Mumuni is a Ghanaian national and has worked as a missionary for 16 years in West Africa. Her faithful service has earned her the esteem and blessing of the Yendi Catholic diocese to now reach out in a very powerful way with the love of Jesus in her home country of Ghana. A diabolical practice that exists locally is to ritually kill children who are born with any physical deformity, disability, or even an anomaly (such as twins). Sister Stan describes her response to this evil: "we give ourselves to God for the service of persons who are poor: we meet the needs of our dehumanized brothers and sisters, the most abandoned, the marginalized, and those cut off from the sunlight of companionship in our large human family. We are called to the vocation of love."*

*With about 6 acres of land acquired now, Sister Stan plans to establish an orphanage to provide shelter for these abandoned children (50 children in the first phase). Future plans will also include a primary/secondary school, a vocational school, a medical facility, and an animal and vegetable farm. The first goal of the ministry is to rescue these children and then, in time, to demonstrate to the parents and community at large that the children are not "evil spirits" and that they can and should be loved and cared for.*

*EMI is privileged to partner with Sister Stan Terese Mumuni as she seeks to demonstrate Christ's love with the redemptive picture that Jesus gave when he said "let the little children come to Me".*

Undeveloped Orphanage Project Site in Ghana
